Notice

Hon'ble Vice-Chancellor of BAUST gave some instructions to take the quality of research at BAUST to a standard level. Consequently, following points must be kept in mind by the concerned:

- i. From now onward, all faculty members, officers and students have been instructed to publish article(s) in peer reviewed journals (Scopus Indexed, ISI Indexed/Web of Science Indexed, Q4/Q3/Q2/Q1, etc. are preferable).
- ii. Article(s) must not to be published in predator journals. The list of the predator journal is available in IQAC-BAUST website (<https://baust.edu.bd/iqac/>).
- iii. A copy of any article/book chapter/review paper/conference paper published by the faculty members, officers and students will have to be submitted to the IQAC office (Both Soft and Hard Copy).
- iv. Faculty members are instructed to open Research Profile like Google Scholar, ResearchGate, Academia, ORCID, Web of Science, etc using BAUST academic email in order to get the citation properly. In that case, everyone is instructed to use BAUST's affiliation in his/her articles.
- v. Respected Heads of Departments are also requested to ensure that faculty members on study leave are informed about using BAUST as secondary affiliation.
- vi. The faculty members' profile in the website should have a list of published articles. The profile on the BAUST website must be monitored whether the updated published research article is being added or not.
- vii. Henceforth, IQAC will submit the research evaluation report of every faculty members to the Hon'ble Vice-Chancellor every year.
- viii. If any faculty member, officer or student publishes article(s) in **Scopus Indexed, ISI Indexed/Web of Science Indexed, Q4/Q3/Q2/Q1 journal**, then the Hon'ble Vice-Chancellor has given consent to give a remuneration to the said faculty member, officer or student (in case of multiple authors from BAUST in one article, only one author will
